

### **2018-2019 Exam Exemption Policy**

- Class with SOL test- Students must pass the SOL and pass the class in order to exempt the final exam.
- Class with SOL test but student is not required to take SOL test- Student will have the option to take a teacher-made alternate assessment in place of the SOL. The alternate assessment does not count as a grade, but will show if the student has met mastery. If the student passes the teacher-made alternate assessment and is passing the class, the student may exempt the final exam. The student may decide to take the final exam instead of taking the alternate assessment.
- Classes that do not have an SOL test- students are required to take the final exam on the final exam date.
- Senior privilege- Seniors who have an A average for the semester may exempt the final exam.
- IB/AP Exams- Students who take an IB or AP exam are exempt from the final exam.
