

Dear Students and Parents/Guardians,

The purpose of this letter is to introduce you to Galileo Magnet High School's Summer Reading Program, its requirements, expectations, and offerings.

Each student at Galileo will be required to choose one book from our prescribed grade level reading list and take a written test in the presence of a Galileo faculty/staff member. The test is based on the book, not the movie. Summer reading test scores will be included in students' English grades for the 2019-2020 school year. For your convenience, attached to this letter is the grade level reading list. There are two opportunities in which to test:

1. After reading the book this summer, students can call Mrs. Shanks at 434-773-8186 to make an appointment to test.
2. Students will have through the first week of school to complete the test. All tests will need to be completed by **August 16, 2019**.

Thank you for your support as we continue to promote academic excellence here at Galileo Magnet High School.
